Assemblies are Chosen For Anniversary Year

Many good assemblies will be featured at the College next year during the Golden Anniversary Celebration. Among these assemblies will be a program presented by the United States Navy Band.

In 1949 the band appeared here and was a tremendous success. It will be a great event to have it return to the College.

Committees Make Plans For Junior-Senior Prom

Committees have been formed in preparation for the Junior-Senior Prom, a semi-formal dance, which will be held in the Armory on April 23. All classes are welcome to attend.

Senior class members will be guests of the juniors. Tickets will be available for freshmen and sophomores.

Comic Opera Players to Give College Assembly on April 4

Comic Opera Players will perform "The Telephone" by Gran-Carlo Menotti and "Trouble in Tahiti" by Leonard Bernstein, at the College assembly on Monday, April 4. This trans-country tour will mark the third for David Shapiro, its musical director and founder.

Mildred Fenner Will Be Editor Of NEA Journal

Dr. Mildred Sandison Fenner, alumna of Northwest Missouri State College, has accepted the editorship of the world's largest professional magazine, the NEA Journal, published in Washington, D. C.

The announcement was made by the Executive Committee of the National Education Association at a meeting of the committee in St. Louis, February 26.

Dr. Fenner is the second person to become editor of the NEA Journal in its 34-year history, the first being Joy Elmer Morgan who became editor at the time of its founding in 1921. Mr. Morgan retired December 1, 1954.

With a circulation of more than 600,000, the magazine holds a position unmatched in this country and abroad.

Dr. Fenner was graduated with honors from this College in 1931, and she has since made a distinguished career in educational editorship. She is the author of two books, one on NEA history and one on pioneer American educators, and she is the author of numerous magazine articles published by leading educational magazines and journals.

Last year she was chosen 1 of 16 outstanding women in the United States to be guest of the Secretary of the Navy on a cruise to Hawaii.

May 28, 1954, she returned to this campus to give the address at the 48th annual commencement exercises.

Dr. Mildred Sandison Fenner

cises. Her subject was "For the Facing of this Hour." Last week she again spent a few days on the campus, visiting classes and talking with instructors about their plans and work.

Dr. Fenner is a niece of Mrs. Raymond Barry, who is on the College staff.

Freshman Class Elects Officers

Officers of the freshman class were elected at a class meeting recently. Officers elected are as follows: Kaye Barnes, Mound City, president; Merle Sorenson, Kansas City, vice president; Sharon Olson, Shelby, Iowa, secretary-treasurer.

At a special election for freshman senators held on February 23, Shirley Dieterich, Maryville, and Joyce Ely, Hamilton, were elected to serve.

Production of "The Telephone" will be of particular interest to the College students, since a portion of this was presented by Barbara Stuber and Jack Hill, at the annual Tower Choir assembly this spring.

Castings include Marni Nixon, Marten Sameth, Jay Meyer, Beverly McFadden, and Michael Bondon. David Brooks, who is known for his singing roles in such shows as "Bloomer Girl" and "Brigadoon," is turning his talents toward the field of stage direction. Ed Mann, co-founder of the "Circle-in-the-Square" theater has designed the sets and decorations.

Jay Webb, blond tenor of "The Trio" in the production of "Trouble in Tahiti" was born in Webb City, and for four years he was a member of the singing group shown as the Sportsmen Quartet.

Beverly McFadden, who sings the role of "Dinah" in the Comic Opera Players production of "Trouble in Tahiti," has sung and danced in many shows such as "Hazel Flagg," "Connecticut Yankee," "Gentlemen Prefer Blonds," and "Brigadoon."

Marni Nixon, who will sing "Lucy" in the production of "The Telephone," has appeared in the motion picture the "Egyptian" and the stage production "The Girl in Pink Tights."

Michael Bondon, the young baritone, who portrays the role of Sam in "Trouble in Tahiti," has sung leading roles with the New York City Opera Company, the Central City Opera Company, and has appeared in operetta productions such as the "Three Musketeers" at the Music Circus in Lambertville, New Jersey, and musical comedy, his first stint in "High Button Shoes."

Marten Sameth, who will portray Ben in the production of the "Telephone" is performing his first operatic part. However, Marten is no newcomer to the stage since he has worked for three seasons with the veteran producer of musical hits—George Abbott.

This attraction was presented on the campus a few years ago, and was well received by the students.

Humorist to Give Assembly, Friday

Henry Scott, concert humorist, will present an assembly for the College at 10 a.m. on Friday.

The program will include numbers on the piano by Mr. Scott, a well-known theatrical figure who appeared on the campus several years ago and was well received by the students.

Once in every generation a concert star of such magnitude arises, that his influence is felt throughout the entire world of music. Such a star is Henry L. Scott, the originator and pioneer of concert humor in America.

In the past two or three seasons educators and critics throughout the United States and Canada have heaped upon him almost incredible superlatives. This praise has come as a result of many years of research and study. Henry L. Scott has explored, pioneered and revealed a whole new dimension to music and become its greatest interpreter. It is no wonder he has received nationwide acclaim from press, radio and national magazines such as Life, Time, Parade and Collier's.

While concert artists have vied with each other to portray only the solemn approach to music, they overlooked, or perhaps, never suspected the hidden potential for laughter, gaiety and heartwarming uplift that lay hidden in music until Henry L. Scott introduced concert humor to America.

Scott's formal concert training was received at Syracuse University and the Mannes School of Music, but his research, study and work continue as he constantly strives for the ultimate in concert humor.

LITTLE MAN ON CAMPUS

by Dick Bibler

"48 gum wrappers, 12 cigarette butts, 8 orange peelings and 3 votes in this one—if you ask me there hasn't been enough student interest in campus politics this year."

Skip . . . Skip . . . and . . . Fail

Lazy days, dreamy nights, sleepy mornings and that undeniable skip-class urge are the familiar symptoms announcing spring's arrival.

It's a struggle to tie yourself willingly in a class room with molecules, Rembrandt, business cycles, and note cards when that inviting sun and come hither fresh air beckons from the open window.

Did you ever stop to think that maybe your instructor might be human? Well, it's an established fact . . . he is. And nine chances to ten, he enjoys spring and all its glory as much as you.

However, you're paying him to do a job and despite his personal desires, he is endeavoring to give you your money's worth.

Let's face it . . . You can't expect him to have much mercy on you for skipping when he has to close his eyes to spring's invitations.

They're Talking About . . .

Spring fever . . . Everyone's got it and nobody can do anything about it. Just a few days of 60 degree weather, and winter jackets and topcoats will vanish like silverware at the cafeteria . . .

Sure signs of spring . . . a guy at the quad washing a winter's accumulation of mud and dirt off of his Ford . . . a sudden rise in buying baseballs, golf balls, and tennis balls . . . And what's that old saying? In the spring a young man's fancy turns to what he has been thinking about all winter, or something like that.

Basketball season did not end in a very cherry note, but the departing seniors gave good account of themselves, as they have throughout the year . . . Highlights of the season would be the terrific nights the Bearcats had against William Jewell and Cape. Best of luck to Baldwin, Garner, Monachino and Swaney.

Nothing but good reports about the "M" Club Dance and the Dance Club program . . . Lots of events in the near future are also on tap.

Remember the assemblies that are held on Friday morning, at 10:00, and for those of you who do not seem to know where they are held, they can be attended in the auditorium . . . no fee.

Mid-semester will be here in two weeks, and for those of you who really like to look to the future, Commencement exercises are only 79 days away.

THE STROLLER

Signs of spring are beginning to show on the campus already. Ice cream sales are on the upward grade. The first robin, mud-splattered buck, tufts of green grass on the lawns, contagious "spring fever," and tulips in the registrar's office all go along with this first nice weather of the year.

THE STROLLER just discovered that there is a new College track team organizing. Varsity members of this special team are (you guessed it) the couples who stroll together over the campus.

Stars are found—where else but on second floor of R. H. Plying with the "Beacon Girls," Ann Corless and Karen Gardner showed a great amount of basketball skill in the A. A. U. tournament in St. Joseph.

The Alumni

Leon Ungles who was graduated from the College in 1929 with a B. S. degree has recently been promoted to Lt. Col. at the Wentworth Military Academy, Lexington, Mo. Col. Ungles has been associated with the academy for the past 18 years.

He attended high school in Maitland, and was graduated from there in 1925, after which time he entered the College.

Dr. Mildred Sandison Fenner and Forte Sandison, both graduates of the College, came by plane from Washington, D. C., to attend the funeral, February 23, of their uncle, Raymond Barry, Jr.

Dr. Fenner has just recently been appointed editor of the NEA Journal, and Forte is a pharmacist in Washington, D. C.

Marine 2nd Lt. Leonard M. Brooke, a former student of the College, is now stationed at Whiting Field U. S. Naval Auxiliary Air Station, Milton, Florida. Leonard is the son of Mr. and Mrs. Charles L. Brooke, Cowgill.

Three Fellowships To Be Given Soon

Fellowships for study in Denmark and Sweden have been offered to American graduate students for the 1955-56 academic year by the two Scandinavian governments.

Three fellowships have been offered by the Danish Government through the Ministry of Education. These include funds for a year of study in an institution of higher education as well as expenses to cover a short orientation course. Since the number of supplementary travel grants is limited, there can be no assurance of such aid to recipients of the above-described awards. Grantees should have funds, therefore, to pay their own travel and incidental expenses.

The Swedish Government is giving three fellowships through the Sweden - American Foundation. These awards are administered in the United States by the Institute of International Education and the American - Scandinavian Foundation. The stipends cover room, board, and tuition expenses at a Swedish university. Candidates must pay for their own travel.

Preference is given to candidates under 35. Other eligibility requirements are: (1) U. S. citizenship; (2) a bachelor's degree from an American college or university of recognized standing by the time of departure; (3) demonstrated academic ability and capacity for independent study; (4) good moral character, personality, and adaptability; and (5) good health.

Applications may be secured from the United States Student Department of the Institute of International Education. Closing date of the competition is April 1, 1955.

Llord's Production Attracts Large Crowd

Mr. Llord and his unique puppets presented an interesting assembly to a large audience.

The program with its spectacular lighting and brilliant costumes and magnificent scenery, set against a background of music timed to the minute detail, was humorous and entertaining.

Introducing

Maria Gamboa of Costa Rica

A happy smile, a friendly hello for everyone, a song in her heart, a fleeting step—this is Maria. She is the Latin beauty who seems to draw friends about her like a magnet. During most of her free time, she can be found surrounded by a

"and to get part of it in another country is very desirable."

Here, of course, she has an opportunity to learn English first-hand. Originally like a skeleton, her vocabulary is gradually taking on more shape. Every night she looks up a list of words she has heard during the day.

When Maria saw snow for the first time, she stood by the door of the Administration building and marvelled over the curious shapes of the fragile flakes, quickly dissolving into nothingness. There were not enough for most people to realize it was even snowing. To Maria, it was a thrilling experience.

Fifth Graders at Horace Mann are learning Spanish from Maria. They love their teacher. Every time she meets one of her pupils, she is greeted with a cherry "Buenos dias, Senorita Gamboa!"

After this year that Maria is on the campus, she will have accumulated many interesting experiences, many pleasant memories of life on the campus and in the dormitory to take home to her friends. She is making some deep impressions on the students and is helping them better to understand and to appreciate their Central American neighbor.—by Ella Erp.

Maria Isabel Gamboa Duran came to the College as an exchange student from Heredia, Costa Rica, to learn the English language and some of the many different customs of people in the United States.

"An education is very important to us in Costa Rica," says Maria,

Tommy Teke says

Dr. Leon M. Miller and Monte Lee Schauler have been initiated into Delta Nu chapter. Dr. Miller is now an associate member and Monte is an active. After the initiation of the two, the spring semester pledge class was initiated. Shannon Green, Gerry Bryant, Jack Cole, Larry Molsinger, Earl Gebhardt, Lloyd Mather, Bill Handley, Vernon Jenkins, Ross Scott, and Jack Sarris are pledges. Future wealth to Delta Nu.

Jim Snapp is finishing the paddle which will have the signatures of the founders of our chapter. Since the paddle is outlawed in all Teke-land, this paddle will be used merely for decorating the lobby of the Teke Quad.

Chuck Gorton, Deon Jensen and Bill Handley have been seen quite frequently at the dorm. Even Art Buckingham has been seen once or twice at that "House of Charm." When Art comes out of hibernation, spring must really be on the way.

Speaking of spring, these are real fine afternoons for naps. Tommy will stop now to grab 20 or 40 or 60 winks.

Members of TEKE enjoyed working with the Boy Scouts on the Heart Fund collection. The Scouts really covered the town.

The Heart Fund wrist watch, offered by jeweler John Mauzey to the Maryville Boy Scout who turned in the highest collections from Monday night Heart Fund solicitations in the residential section of the city, was awarded Saturday afternoon to Gary Sherlock.

Young Sherlock, son of Mr. and Mrs. Raymond Sherlock, collected \$19 for the fund during the one night's solicitations. He was awarded with a 17-jewel wrist watch by Mauzey, who is also chairman of the 1955 drive.

Delta Sigmas

Congratulations to Kathy Taylor. In an impressive initiation ceremony, Kathy became an active member of the Delta Sigma Epsilon sorority.

March 12-13 Kathy Taylor, Barbara Taylor, Sharon Olson, Lauretta Taylor Marcia Woodcock, Carol Walker, Evelyn Finter, Marcia Ely, and Lavonne Van Meter will attend the Province meeting to be held on the Warrensburg campus.

If you hear strange utterances, "I am . . . from . . . , think nothing of it. It's just Rosalie Hamilton, Shirley Helts, Shirley Ellyson, Barbara and Lauretta Taylor making shields for name cards as their part in the preparation of this event.

A Page A Day—Might Pay

Candle light, midnight-oil light, just any old light will soon be beaming out of each window, door, and crevice.

Why? Well, it won't be to watch that midnight movie on TV.

No fellow sufferers . . . that time is drawing nigh, once more.

Mid-term . . . sneaked the dreadful unprintable word past the censors . . . with all their troubles will soon bombard us.

Save those peepers a little this semester in preparation of mid terms.

You have two whole weeks to catch up with your instructors' seven-week start.

Don't give them the advantage of a nine-week start. You'll never pass them, both instructors and test, in one night's effort.

Sigma Sigmas

New officers of the Tri Sigma sorority were announced at their regular meeting Tuesday, March 1. The officers are as follows: Marty Newman, president; Barbara Nixon, vice president; Jo Ann Meek, treasurer; Teresa Tobin, recording secretary; Doris Ann Staples, corresponding secretary; Barbara LaMar, keeper of grades; Carolyn Mix and Donna Stark, rush chairmen.

Members were happy to welcome two new pledges after the business meeting. They are Shirley Dieterich and Virginia Watkins.

Violets to Nancy Jamison for being M-Club Queen, to Maxine Goff for the fine recital she gave, and to the Phi Sigs for entertaining the Tri Sigmas at an informal dance in their chapter room.

March 6 the members were guests of the alumni chapter of Sigma Sigma Sigma sorority here in Maryville for a tea from 3 to 5.

Newman Club

Members of the Newman Club met at 6:30 in the chapel of the Union, Thursday, February 24. A business meeting was held, presided over by the president, Virginia Watkins. The business meeting consisted largely of a report by the social committee and discussion of their report.

Social committee members are Vivian Head, Fred Maher, Ed Messbarger, and Arlin Roach. The committee reported tentative plans for a trip to St. Benedict's College and a party or dance.

Father Buhman led a discussion

group based on questions the students had prepared and placed in the question box at the last meeting.

Newman Club meets every second and last Thursday evenings of the month at 6:30 in the chapel of the Union. All members and students interested in the club are invited to attend the meetings.

Sigma Tau Gamma

The fraternity held formal initiation for Jim Joy at its last meeting. We are glad to have Jim as a brother. Plans are moving along quite well for the "Rose Dance." At present we are trying to find a suitable band. Plans have been made for a dance with our sister sorority and we hope that it will be very successful.

Tau Tones have been practicing late the last few weeks. We have had try-outs and we thought that we had a soloist in Lou Linville but it seems he only knows one song, "Catfish Floating Down the River." You know that we couldn't sing one song for a whole program. Sorry, Lou.

Some say it was a rather queer pitch game the other night. The team of Sprong and Russell won with twenty-one points, and Stuck and Rowley got eight. A good time was had by all.

We are proud of these members who are working hard to help make a successful track season: Lou Linville, Dinker Dowden, Mick Anderson, and Duane Freeman. Keep up the fine work.

Congratulations to the Dance Club on their fine program the other night. Everyone did just

great, especially Pat Adams who we could tell put in a lot of work on the program. Also, cheers to Jimmy "Dancing Shoes" Taylor for a sterling performance.

Alpha Sigmas

Charlene Olson, Beverly Murphy, Carol Bressler, Norma Long, Ann Schilling, Judy Cross, Judy Beemer, Carol Gamble, Marilyn MeeKrn, and Margaret Ann Young will become active members at the formal initiation to be held March 15.

March 8 was the date of the alumna dinner held at the Dream Kitchen. It provided opportunity for both alumna and actives to get better acquainted.

Serving on the committee for the spring formal will be Nancy Rainey, Pat Adams, and Nancy Kariger. Pledges will be appointed later to help with the arrangements.

Next year's president will be the official delegate to the National Alpha Sigma Alpha Convention in Biloxi, Mississippi, July 5. Accompanying her will be Mallerd Maune and others. Mallerd was a week-end guest in Maryville recently.

Dance Club Presents Annual Recital Program

Under the direction of Miss Doris Hysler, the Dance Club and the Modern Dance Class presented their annual recital last Wednesday evening. The program varied from interpretations of modern music to lighter numbers such as "Syncopated Clock."

Combining lighting and costumes with moods established by music, the group presented a picturesque and entertaining program.

The numbers included were "Ballet Class," "Modern Mode," "A Young Miss," "El Zapateado," "Egyptian Dream," "Quiet Village," "Syncopated Clock," "New York, 4 a. m.," "The Search," and "Jubilee Trail."

Assisting with the program were Bob Lister, lighting; Walter Arms, curtain; Art Buckingham, music; Irvin Coats, records; and Jim Snapp, stage properties.

Youth Group to Honor Foreign Students Here

Bearcat Spikemen Prepare for Omah U. Track Meet

Team Seeks Victory In Triangular Meet

This year the track team is gradually getting into shape for their first meet. Even though there has been a blanket of snow on the ground, they are doing road work and indoor training in the gym.

The first meet comes off March 15 indoors at Omaha University. This meet will be a triangular meet with Emporia, Omaha, and Maryville.

Emporia last year took the Kansas State Championship.

This meet was purposely selected by Coach Milner and Athletic Director Dr. Peterson to get the team ready for the main event at Missouri University, the MIAA Indoor State Track Meet. There is also another big event later at the end of the season, the MIAA Outdoor State Track Meet.

Returning lettermen from last year are Rick Tilton, Mick Anderson, Lou Lillville, Fred Maher, Jack Spence, Doyle Hendrickson, Duane Freeman, Jerry Davis, Loren Putney, Larry Butler.

Other returning men from last year are Lester Hall and Vic Cromer. New men coming out to strengthen the team are Wayne Jackson, Paul Ickes, Floyd Tripp, Floyd Worley, Gary Cooper, Bud Eisele, Lowell Mohler, John Schulze, Jerald Baker, Donald Riegel, Donald Cordell, Ronald Bradley, George Lockridge, Glee Guess, Larry Bolan, Bill Groteluschen, Gary Williamson, Roger Wayman, John Watson, Dave Penwell, Bob Hunt, Wendell Guess, and Tom Reno, transfer from William Jewell who took fifth in the nation last year.

Swim Club Selects "Rainbow Rhythms"

"Rainbow Rhythms" has been selected as the theme for the annual swim show to be presented Thursday and Friday evening April 27 and 28. This show is given each year by members of the Sigma Phi Dolphin Swim Club sponsored by Miss Bonnie Magill, of the physical education department.

Pat Adams is coordinating the swim show and will direct the opening number and the finale.

Beverly Blohm, Shirley Dieterich, Nancy Kariger, Barbara Kunze, Dixie Moore, Marilyn O'Conner, Shirley Sierp, Virginia Watkins, and Marge White will direct various numbers for the production.

Swim Club members who will participate in the show are Judy Beemer, Barbara Benning, Veldeva Cockran, Ella Erp, Carolyn Massie, Ruth Retthemeyer, Ann Schilling, Virginia Wharton, and Margaret Young.

Pat and Jerry Sprong will be featured as guest swimmers.

Phi Sigs Take Free Throw Contest

Phi Sigma Epsilon's free throw team captured honors in the intramural free throw contest. Results were determined by totaling the successful throws of the top four contestants in each organization.

Representing the Phi Sigs were Paul Zachery with 20, Jim Roiser also with 20, Larry Campbell, 19, and Ronnie Noah, 18, to make a total of 77 out of 100 attempts.

Following close behind were the second place Sig Taus with 74 out of 100.

TEKES and Independents were third and fourth place winners. Sig Taus still lead the Intramural race with 198 points in football, 110 in basketball, 11 for free throws, making a total of 319 points.

Phi Sigs are second with 78 in football, 166 in basketball, 13 in the free throw contest, making a total of 257.

TEKES trail the Phi Sigs only three points, having 77 in football, 168 in basketball, and 9 for free throws to make a total of 254.

In fourth place is the Independent Club with 40 in football, 83 in basketball, 8 for free throws to make a total of 131 points.

Intramural action in the volleyball tournament will start this week and will be followed immediately by badminton and bowling.

Random Shots . . .

My ears are still burning over the all-conference picks of the last issue. I got it from everywhere, but most people did agree with the majority of the picks.

The track team goes to the University of Omaha next Tuesday night for a triangular meet with Omaha U and Emporia State. Since the men haven't been out on the track because of bad weather, the results could be bad, but let's wait and see.

Congratulations are in order for Karen Gardner and Ann Corless who impressed many with their fine showing in the National Women's Basketball Tournament in St. Joe. They played for the Beacon in St. Joseph. Too bad the two girls that transferred here from Iowa Wesleyan were ruled ineligible for the tournament. They are Carol Bane and Madonna Leader, who are supposed to be hot shots on the hardwoods. Maybe we can get a team from the College to go down and play next year.

Some people are talking about going down to Kansas City and seeing the A's play this spring. They won't win many, but at least you get to see major league baseball.

Everyone is raving about Wes Santee, but we have five men who say they can run him into the ground. Can you vision these dream milers, Coaches Milner, Peterson, and Gregory plus Surrey and Harr? That's a dream mile if I ever heard one. Which one would collapse the first?

"B's" End Season With 6-4 Record

In the final game of the season, the "B" Team defeated Dr. Peterson's Intramural All-Stars.

Selected by the Intramural Commission the All-Stars gave the "B" squad a hard fought and close game.

Fast sharp-shooting of Coach Earl Bridgewater's "B" team gave them a 47-43 victory over their opponents.

Game scoring honors went to the All-Star's Don Mattson with 14 points. All-Star's Dave Culver tied

with Merle Sorenson of the "B" squad with 13 points for second place honors.

Ending the season with a 6-4 record, the "B" team will add reserve strength to the '55-'56 Bearcat Varsity Squad.

In the line up for the '54-'55 season were Jay Scardino, Marvin Black, L. D. Young, Jack Little, Don Turner, Jamey Neely, Gary Alexander, Bill Crowley, Leo Bangs, Monte McVicker, Merle Sorenson, and Vic Cromer.

Coaching this squad to their 6-4 record was Earl Bridgewater, senior from Hopkins.
